Work Experience

Bambinos.live - Video Editor

05/2026 - Present

Bangalore, Karnataka

- Produced high-performing video advertisements and branded content for Meta Facebook & Instagram), YouTube Shorts, and other digital platforms, aligning creatives with marketing and campaign objectives.
- Edited short-form and long-form videos using motion graphics, color grading, sound design, and visual effects to create engaging, platform-optimized content.
- Planned and executed end-to-end video production, including pre-production, filming, post-production, and final delivery across multiple formats.
- Leveraged generative AI tools to develop marketing videos, visual assets, and consistent AI-generated characters and environments for branded and educational campaigns.
- Managed multiple creative projects simultaneously while ensuring brand consistency, quality standards, and timely delivery.

Video Editor (Freelancer)

11/2025 - 05/2026

Kota, Rajasthan

- Edited short-form videos, advertisements, and UGC content for brands and content creators across social media platforms.
- Optimized content for Instagram Reels, YouTube Shorts, and TikTok to maximize viewer retention and engagement.
- Collaborated directly with clients to understand creative requirements, incorporate feedback, and deliver high-quality projects on schedule.

Jagdamba Sales - Digital Transformation Lead

2023- 2025

Kota, Rajasthan

- Led the transition of a 35-year-old traditional business into a digitally managed operation. Digitized manual processes, including inventory, billing, and customer records, using cloud based tools and spreadsheets
